About Nettlinx Limited:

Nettlinx is an internet infrastructure initiative of the Nettlinx Group. The genesis of the company has began with its ISP (Internet services provider) operations in 1999. Nettlinx is headquartered in Hyderabad with presence over 93 locations in Telangana and Andhra Pradesh. It is a leading Class-B ISP operator in both the Telugu states for the past 19 years.

Commenting on the financial performance of the company Dr. Manohar Loka Reddy, Chairman, Nettlinx Limited, said, the group is also into US tech support & Software development apart from realty sector in India Nettlinx has recently forayed into Green Energy investments.

Nettlinx has invested substantially in world-class facilities and we are fully attuned to the exponential growth of the internet sector. Towards this, we will continue to bring high tech practices in future as well, towards continuing to shape our selves as leaders and enabling our states to emerge as global hubs. Given our operational excellence and robust performance, we look forward to the future with confidence”.

Disclaimer:

This press release contains “forward- looking statements” that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are to different degrees, uncertain. For us, uncertainties arise from the behavior of financial, software and Real Estate industry, from future integration of businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different from those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
